Primary School & Nursery

Head's Welcome

Welcome to our prospectus – I hope that it leaves you feeling as excited about our school as we do! We believe that EVERY child deserves and needs the very best start in life; we know that when a child achieves highly during primary school, they go on to have maximum opportunities in the future. Together we can make that happen.

There is nothing more rewarding than teaching and seeing a child grow in academic achievement and also into delightful young citizens. It is a privilege for me to lead such a dedicated team of staff who all share the same ambition for the children at Beckfoot Heaton Primary School and Nursery. We are very proud of our school and the captivating culture we have established. The children are proud too, of themselves, their work, their behaviour and each other. Come and see for yourself!

I hope that you will find the pages in this prospectus helpful but please do visit our website, follow us on social media or contact the school if you would like any more information.

"I love school because
I love learning –
especially Science"

Samayah Jones

Great Learner + Great Person = Great Life

Empowering children to have a great life is at the centre of all we do – and we are determined that ALL children realise this. We teach children that if they are great learners and great people, then they have the best chance of having a great life. We are incredibly proud of the partnerships we have created to inspire children to make this happen and many visitors help children imagine what that great life could be. Exciting!

The most crucial partnership we have is with you, the parent - it is critical to the success of your child and our school. We are an inclusive, welcoming school. We encourage you to come and see us, learn how to help your child, share what you think we are doing well, discuss any concerns or offer any feedback which would help us to make Beckfoot Heaton the best school for your child. Our leaf logo means growth – telling us what you think helps us to grow!

"Integrity makes
you more mature"

Shan Yassan

The School - Facilities

Our staff work hard to make sure that children LOVE learning. They plan wonderful learning opportunities, in and out of school, which both engage and challenge them. We have created a safe, vibrant and inspiring learning environment and classrooms are well designed to meet the needs of each child. We know you will love some of our shared spaces which help learning come to life:

Forest school – in our ancient woodland, children can build, create, sing and work together as they develop social and emotional skills as well as raise their own self esteem.

Design and create in our spacious, bright design and technology learning area including cooking facilities.

*"I love the woodland - we tell stories,
play and are with our friends"*
Aneela Raffiq

Playgrounds – whether your child enjoys running off their energy or chilling out with friends, there is a place for them on our playgrounds.

Early Years Hall – children in Reception and Year 1 enjoy a “family feel” lunch in the smaller Early Years Hall.

4D Creative room – imaginations can run wild in this state of the art room where children can immerse themselves in sights and sounds. A visit to a rainforest, an underwater swim, a tour of space... the possibilities are endless.

*"Believe in yourself! I do so I can
become a pet rescuer when I am older"*
Rehan Younis

The School Day

Our aim is that every child at Beckfoot Heaton Primary School & Nursery enjoys a safe, healthy, productive and fun day at school. From the moment you drop off your child, their safety and well being is the most important part of our care for them. Children are happy, engaged and ready to learn because of the safe and positive environment we share with them. We are a community!

Breakfast Club:	8.00am – 8.45am
School day for children in the AM nursery:	8:30am – 11:30am
School day for children in the PM nursery:	12:30pm – 3:15pm
School day for children in reception:	8:30am – 3:00pm
School day for children in years 1 to 6:	8:45am – 3:00pm
Reception is open:	8:00am – 5:00pm

All children enjoy a 45-minute lunch and one 15 minute break each day.
