MESSAGE FROM MRS MAWSON

As we move into December, the first cold spell of the year has arrived and it definitely brought much fun and excitement to the children.

The sheer excitement of a girl in Alder class as she made her very first snowman was a firm reminder of why I love my job. Pure awe and wonder as she explored the snow, working out how to make it stick together. Her confidence growing with the second “ball” and her friend joining in as they added eyes, a nose and a mouth to the figure. Then came the squeals of glee as it stood by itself. The fact it was only about the size of her welly did not deter from the sheer magic of the moment.

Take a minute now to remember a magic moment with your child...enjoy!

BECKFOOT HEATON SCHOOL WEEKLY NEWS

It's two-week challenge time!

Do you fancy a family meal at Mahmood's?

Well, make sure you are in for a chance of winning a voucher!

Every child who comes to school every day for these last two weeks of term, will be entered into the prize draw for a delicious family meal.

We know that children who have at least 95% attendance have the best chance of getting the most out of school – both in terms of their learning and also in being part of their class and our school community.

The winning ticket will be drawn in Golden Merit assembly on the last day of term.

Who will the winning family be?

ATTENDANCE – we need to improve

1.	Alder class	83.8%
2.	Apple class	87.9%
3.	Ash class	85.8%
4.	Beech class	94.4%

SAFEGUARDING

Keeping your children safe online is something that many of you talk to us about.

The BEST advice is to have open conversations with your children about how they are using the internet (including games which are online) and who they are using it with.

This Barnados page gives some useful tips to help get the most out of the internet – and keep children safe at the same time.
